

BEST DAY'S SPORT OF TAMPA MEETING

Patronage Steadily Increases
and Purse Are Made
Larger.

Tampa, Fla., January 24.—The best day's sport of the Tampa meeting was afforded today. With the steadily increasing patronage recently the management has increased the purses. Count de Oro was the medium of a plunge in the two-year-old race, being backed from 2 to 1 to 4 to 5. The feature of the day was the stretch duel between Autumn Girl and Mrs. Sewell, the former winning by a nose. The attendance was easily the largest since the meeting opened. Summary:

First race—about three furlongs, maiden two-year-olds—Count de Oro, 105 (Glanier), 4 to 5, first; Mrs. Carter, 105 (Deverich), 25 to 1, second; Louise B., 105 (Gilbert), 2 to 1, third. Time, 1:38.

Second race—five and a half furlongs, selling—Creuse, 92 (Bronson), 2 to 1, first; Catherine, 88 (Steinhart), 2 to 1, second; Enley, 104 (C. Brown), 20 to 1, third. Time, 1:12 4-5.

Sixth race—mile and an eighth, selling—Vaneen, 104 (Gilbert), 4 to 1, first; Waterlake, 104 (Glanier), 5 to 1, second; Otogo, 104 (Lang), 9 to 2, third. Time, 2:03.

Three Chosen Defeated.

Jacksonville, Fla., January 24.—An excellent crowd witnessed some brilliant racing at Monier to-day. Favorites did not monopolize the results, as three of the choices were defeated by long shots. Pulka, freely offered at 40 to 1, enjoyed the longest price, and incidentally defeated the good colt Carroll, who looked the winner throughout, but received a weak finishing ride at the hands of Trotter. Summary:

First race—six furlongs, maidens—Sandy Hill, 105 (Hovers), 9 to 1, first; Amy, 95 (King), 4 to 1, second; Altonby, 111 (Nicol), 12 to 1, third. Time, 1:14.

Second race—five and half furlongs, selling—King Avondale, 110 (Reid), 3 to 1, first; Stringency, 108 (Trotter), 4 to 1, second; Enlist, 105 (Hannan), 49 to 1, third. Time, 1:07 2-5.

Third race—six furlongs, purse—Pulka, 112 (Davis), 49 to 1, first; Milton B., 111 (Goldstein), 15 to 1, second; Carroll, 109 (Trotter), 3 to 5, third. Time, 1:13 3-5.

Fourth race—one mile, selling, handicap—Pocomoke, 98 (O'Fallon), 6 to 1, first; Otis, 105 (Powers), 3 to 1, second; Dr. Barker, 111 (Nicol), 3 to 1, third. Time, 1:29 1-5.

Fifth race—six furlongs, selling—Seymour Butler, 99 (Powers), 7 to 10, first; Grenade, 107 (Ganz), 20 to 1, second; C. W. Hurt, 117 (Davis), 30 to 1, third. Time, 1:12.

Sixth race—selling—Skyoo, 109 (Davis), 5 to 1, first; (Kings), 2 to 1, second; Killcrankie, 109 (Bergen), 20 to 1, third. Time, 1:11 1-4.

Lynchburg, Y. M. C. A. Defeats Danville. (Special to The Times-Dispatch.)

Danville, Va., January 24.—The local Young Men's Christian Association here tonight in the association gymnasium by the strong Young Men's Christian Association team of Lynchburg by the score of 43 to 17. The game was exciting throughout, notwithstanding the large score, and was witnessed by a large audience.

AMUSEMENTS.

Bijou—Hanlon's "Superba."

The Real Thing. "Superba" is the real thing at the Bijou this week. For it keeps you guessing all the time what will happen next and whether the man who disappears under the wall will come up from under the carpet or out of the gallery. They have everything in the show that could be there, from an ex-president down to the clown and monkey.

Fred Hanlon, who played the part of the clown, was a star, and went through with all of his antics gracefully. He even went so far as to have his head cut off in order to advertise somebody's glue. All of the scenes were extremely pretty and attractive, and were well arranged.

Paul Tresk and F. Valeno, the acrobats of the jungle, were fine, although they looked more like baboons than acrobats. They got off some stunts that were great.

Mrs. Bees Rosa and the chorus helped along right merrily, although the chorus looked out of place in the jungle. Taking the show altogether, it is first rate, and would be better still if there was just a little less. But it would be difficult to say which of the many good features could be eliminated.

Old Fiddlers To-Night. The Old Ex-Soldier Fiddlers will appear in concert at the Railroad Young Men's Christian Association to-night, assisted by Miss Mary Willie Pattie as soloist. The fiddlers are Colonel J. A. Pattie, member of the "Iron Brigade," of the Army of the Potomac, and Captain George P. Dillman, a former Confederate soldier, and member of the Thirty-fourth Virginia Cavalry, Army of Northern Virginia. Colonel Pattie presents old-time fiddlers, soldiers of

the Civil War.

The results of Saturday's election, as announced this morning, give the Liberals eleven seats, Unionists one, and the Nationalists one. The results of the bulk of to-day's pollings will be known to-morrow.

With the cessation of the stream of Unionist gains, the Liberal leaders are exhibiting a more hopeful spirit. Winston Spencer Churchill, at Poole, to-night claimed that the Liberals would return to power with a majority practically as great as Salisbury ever enjoyed.

At a very late hour to-night another Unionist gain was announced in the Harrow Division of Middlesex.

There was a notable absence to-day of the election excitement which characterized the campaign last week. The Unionists, notwithstanding their fall-

ure to make any material gain, continue to derive satisfaction from the enormously decreasing Liberal majorities.

Chancellor Lloyd-George's election from Carnarvon boroughs was announced, but his majority was not as great as at the last election.

Premier Asquith and Chancellor Lloyd-George in their speeches to-night, said they were convinced that the government would have an ample majority to carry through the Liberal program.

Realizing the difficulty of carrying out its complete program while dependent upon the support of the Nationalist vote, it is reported that the government will suggest that the reform of the House of Lords be undertaken by a conference of the two parties, and will further promise a modification in the spirit duties and the license duties in the budget of 1910-11. If the rejected budget is accepted as the financial scheme of the present year.

Paris, January 25.—At 2 o'clock this morning the water, which was rushing through the tunnel under the Quai d'Orléans, burst through the roadway and flooded the streets, including the Rue de Lille, the Rue de Polignac and the Rue de Valenciennes, on which there are many aristocratic residences.

The sidewalks are likely to cave in at any time. Those who occupied the houses were hastily awakened and hurried to places of safety.

Paris, January 24.—The situation resulting from the flood is fast becoming desperate. The Premier and Minister of the Interior made this declaration to-night. All conditions indicated a further rise of several inches of the River Seine, and the cold rain, which continues, is causing intense suffering among those who have been rendered homeless, with little prospect of relief.

M. Millerand, Minister of Public Works, after a tour of inspection, said that if the rise continued, nothing could prevent a deplorable disaster and the flooding of the most populous quarters in Paris.

Paris is threatened with an immediate and complete tie-up. The stopping of transports has raised the price of food, which is becoming scarce. The authorities assert that drinking water is assured, but there is no water for the industrial services.

Kansas City, January 24.—Three persons were killed and three badly injured this afternoon when a motor car owned and driven by John Mahoney, a contractor, of Kansas City, Kan., became unmanageable and plunged over an embankment. The car, which was what is known as a Cliff Drive Canyon. The dead:

PRESS NOTES FROM THE THEATRES.

Vassar Girls. Appearing under the auspices of the Radcliffe Entertainment Bureau, the famous Vassar Girls will be at the Academy Saturday afternoon and evening, and will reproduce here a novel musical program that has made a great "hit" in many of the big cities of the North and West. In addition to instrumental solos and various duets and trios there will be a sextet of saxophones, a septet of brass instruments, a septet of wood wind instruments, a quartet of clarinets, a quartet of wind instruments, and last but not least, a fine vocal soloist. The organization is composed of eight accomplished and attractive young women, specially trained for concert work. They have come off with high honors at the hands of some of the most critical audiences in the country, and are now among the most eagerly sought attractions being offered on the Lyceum platforms. The entertainment will mark the continuation of the Radcliffe series, and will splendidly maintain the high standard set for these concerts.

MINISTER COMPLAINS. Mr. Atkins Reports Policeman for Not Reporting Sunday Seller.

Rev. H. P. Atkins, of Allen Avenue Christian Church, formally complained to the Board of Police Commissioners yesterday that policeman No. 99, who is believed to be Policeman Newman, of the Second District, had failed to discharge his duty by refusing to report L. C. Rochester for laboring at the trade on Sunday. Mr. Atkins claims to have noticed the officer when an offense was being committed, and that policeman No. 99 refused to report on the ground that he could not cross Seventh Street, which is the border line between the police jurisdictions. Chief of Police Werner says the complaint was made to him through Captain Barfoot, of the First District, but that no investigation had been made, and that it has not been ascertained whether Mr. Newman is the officer. The matter will be brought to the attention of the board at its next meeting, on February 8.

RESUME ALL CLASSES. Work Now Going on as Scheduled at University College of Medicine.

Regular work has been resumed in all classes in each of the three departments at the University College of Medicine, and the schedule is being carried out without abridgement. The powers are now maintained from 9 A. M. to 12 M. and from 2 P. M. to 5 P. M. The afternoon hours are devoted to the work of the students of the dental department of the Medical College of Virginia, with its demonstrators in charge.

Free dispensaries have been re-established. The medical and surgical dispensary is located at 217 Governor Street, and the dental infirmary at the Medical College of Virginia, where the powers are maintained from 9 A. M. to 12 M. and from 2 P. M. to 5 P. M. The afternoon hours are devoted to the work of the students of the dental department of the Medical College of Virginia, with its demonstrators in charge.

LITTLE CHANGE IN PARTY STRENGTH. Liberals Hopeful of Working Majority in Next House of Commons.

London, January 24.—The Unionists gained another seat in the Southport Division of Lancashire and one in Harrow to-day. Otherwise the results announced to-night do not change the party strength. The newly-elected members of Parliament now stand: Unionists, 221; Liberals, 202; Laborites, 34; Nationalists, 60.

The results of Saturday's election, as announced this morning, give the Liberals eleven seats, Unionists one, and the Nationalists one. The results of the bulk of to-day's pollings will be known to-morrow.

WOMAN IS FOUND DEAD IN BATHTUB. Death Appears to Have Been Accidental—Was Native of Virginia.

[Special to The Times-Dispatch.] St. Louis, Mo., January 24.—Mrs. Mayna Allender, fifty-four years old, who was drowned yesterday in a bathtub, was a native of Fredericksburg, Va. Her maiden name was Patterson. At the time of her death, which appears to have been accidental, she was alone in her home, 5957 Moran Street, her husband, Samuel E. Allender, Sr., chief special agent of the "Frisco Road," having gone to his office in the "Frisco building."

Mrs. Allender had begun the preparation of a Sunday dinner, to which were invited her only son, Samuel R. Allender, Jr., and his wife, Smith, of the Second District, when Mr. and Mrs. Allender, Jr., arrived. They thought it strange, especially as part of the dinner was already on the stove. They immediately started a search which ended in their discovery of the dead body in the bathtub, according to a statement issued yesterday, has been made possible by the generosity of the Medical College of Virginia, which has agreed to receive the body for dissection.

In his hurry to alight from the taxicab taking him home, he sprained his arm, which he had broken a month before as the result of slipping on the ice.

Between 10 and 10:30 o'clock, Mrs. Allender, Sr., telephoned Dr. Robert M. Funkhouser, the family physician, and asked his advice, saying she was suffering a slight attack of rheumatism. At that time she was in a pleasant frame of mind, according to Dr. Funkhouser, former coroner. Dr. Funkhouser, who is a native of St. Louis, Mo., and who has been in the city since 1899, he left the fact to become a railroad special agent. Chief Smith was among the first to call at the house to offer condolence and assistance.

EXCUSABLE LIBEL WILL BE DEFENSE. New York, January 24.—Twelve jurors had been declared free of bias at the end of to-day's proceedings in the Panama Canal case, brought against the Press Publishing Company, publishers of the New York World, by the United States government.

At the opening of court to-day counsel for the defense characterized the suit as unprecedented in the history of the United States government. It was instigated by Theodore Roosevelt during his presidency, and charges that President Taft, Douglas Robinson, a brother-in-law of Mr. Roosevelt, Charles P. Taft, a brother of the President, William Nelson Cromwell and Theodore Roosevelt were criminally libeled in connection with publications in the fall of 1908 relating to the purchases of the franchise machinery and other rights of the French-Panama Canal Company.

Dr. Nicol said that he would interpose two defenses, alleging the falsity of the alleged question of whether this is a libel or not. "We shall plead justification, and secondly, excusable libel," he said.

"On the second ground I purpose to show," he continued, "a set of facts and circumstances leading to the belief that when we printed those articles we believed them to be true."

Both Henry A. Wise, United States attorney, and Judge Hough said the trial would probably be a long one. The defense were carefully questioned as to their politics; their belief of freedom of speech and freedom of the press, and their possible acquaintance with any of the complainants.

The indictment contains fourteen counts. Similar indictments also were found in Washington against the proprietors and editors of the Indianapolis News. The preliminary hearing held in Indianapolis resulted in a substantial first victory for the News.

The government is expected to open its case to-morrow.

VAN NORDEN, POLITE AND \$28,000 LOSER

Woman Stumbles, Throws Arms About His Neck and Extracts Fortune from His Pocket.

New York, January 24.—Warner M. Van Norden, president of the Van Norden Trust Company, is \$28,000 poorer in pocket, and correspondingly wiser in judgment as to when to be polite but cautious.

Wednesday night, Mr. Van Norden went to the theatre and later to the Waldorf to write some letters. In a wallet in the pocket of his dress coat was \$28,000 in \$1,000 bills and \$900 in four \$100 bills and one \$500 bill. His letters written, he stepped to the street, undecided whether to walk home or call a cab. As he stood hesitating, a well-dressed woman passed him and dropped her handbag. Mr. Van Norden stooped and picked it up.

As he stooped a second woman stumbled on his feet and, in retaining her balance, threw her arms about his neck. There was a moment of confusion, many apologies, and then all three went their several ways.

When Mr. Van Norden, next morning, transferred his pocketbook from his dress coat to his sack coat, he noticed that it felt slim and opened it. The twenty-eight \$1,000 bills were

gone. He reported the robbery instantly, and two arrests followed to-day. The prisoners are Bessie Roberts, alias Kitty Dowdell, alleged to be No. 8746, and May, alias Margie, Williams, No. 3210, in the rogues' gallery.

There have been many complaints in the streets in the neighborhood of the big hotels lately, but the attendant circumstances have been so humiliating that few of the victims have cared to appear in court, and the cases have never been pressed.

The Williams girl is only twenty years old. The other is older. "Did you speak to a man a little after 12 o'clock Thursday morning?" asked a detective of the younger woman.

"Sure," said the girl. "I was walking with a friend in front of the Waldorf, when a gentleman passed whom I thought I knew. He stopped and talked for a moment. We were mistaken, and of course we separated. If Dowdell trimmed that guy she held out on me, I wasn't wise."

Miss Roberts said: "I never speak to strangers on the street."

They have been held in \$15,000 bail.
